**CRAIG DISPATCH AREA**

---

## **2019 Spring Fire Academy**

---

**Wildland Fire Training for  
Northwest Colorado**

**Free tuition**

**April 15th-19th****S-339, Division/Group Supervisor**

This course prepares students to perform in the role of division/group supervisor. Topics include division management, organizational interaction, division operations, and all hazard operation.

Course prerequisites

All students should be qualified as TFLD, or ICT3, or ICT4 and any two strike team leader positions (one must be STCR or STEN).

**April 22nd-26th****S-131, Firefighter Type 1**

S-131 is an interactive course which contains several tactical decision games designed to facilitate learning objectives and class discussion.

Course prerequisites

All students should be qualified as a FFT2.

**L-280, Followership to Leadership**

This course is designed for students who are preparing to step into leadership roles. Topics include leadership values and principles, transition challenges for new leaders, situational leadership, team cohesion factors, ethical decision making, and AAR techniques.

**S-211, Portable Pumps and Water Use**

Students will learn the skills to design, setup, operate, troubleshoot, and shut down portable water delivery systems.

**S-215, Fire Operations in the Wildland/Urban Interface**

This course is for structure and wildland firefighters who will be making tactical decisions when confronting wildland fire that threatens life, property, and improvements, in the

Wildland/Urban interface.

Course Prerequisites

Students should be FFT1

**S-230/S-231, Crew boss and Engine Boss**

We will be teaching two blended classes. Half of these classes will be taught online at [training.nwcg.gov/online.html](http://training.nwcg.gov/online.html), and the other half will be instructor led training. Students are required to complete the online portion of these courses prior to attending class.

Course Prerequisites

Students should be qualified as FFT1

**Date to be Determined****FI-210, Wildland Fire Origin and Cause Determination**

The concepts taught in this course will help a Wildland Fire Investigator perform at an acceptable level on a national basis.

Course prerequisites

Recommended that students have a background in law enforcement or firefighter experience.

**Finance Type III**

This Class will cover material from S-261, Isuite, and Doc Box items and responsibilities. This class is recommended for students who are ICT3 or ICT3(T) or are interested in learning more about finance positions.
